

The Wizard of Oz – Registration and Audition Info

Welcome to the 2018 PCOS production of The Wizard of Oz! We look forward to working with you.

There will be two registration nights in September, at which we will also be teaching audition material, including the choreography for the auditions.

Our first meeting is on **September 6, 2017**, beginning at 7:00 pm. To save time at registration, we hope most of you will have completed the **on-line registration form** and printed out and completed the **Waiver and Consent Form** (found on our website). At registration, you will also **pay your membership** fee and be issued a script. Children will receive their script only after the audition process has been completed. It is important that you arrive at 7:00 pm, even if you have already registered on line or at our pre-registration night on June 21, because we also need to take your photograph for our records.

In an effort to ensure that everyone is well prepared for their audition, we will take the time to work through the audition music and choreography on the two registration days in September. You will rotate through working with the creative team (music director, choreographer and stage director) on both evenings. **The children will be auditioned in the last hour of the rehearsal on September 13.** Auditions for solo roles for adults will be held on **September 14 (women)** and **September 15 (men)**, with **callbacks scheduled for September 16.**
