

Once Upon a Mattress –

Registration and Audition Info

Welcome to the 2019 PCOS production of **Once Upon a Mattress!** We look forward to working with you.

Besides the Pre-Registration Night on June 13, there will be two registration nights in September, at which we will also be teaching audition material.

The first registration night is on **September 5, 2018**, beginning at 7:00 pm. To save time at registration, we hope most of you will have completed the **on-line registration form** and printed out and completed the **Waiver and Consent Form** (found on our website). At registration, you will also **pay your membership** fee and be issued a script. Children will receive their script only after the audition process has been completed. It is important that you arrive at 7:00 pm, even if you have already registered on line or at our pre-registration night on June 13, because we also need to take your photograph for our records.

In an effort to ensure that everyone is well prepared for their audition, we will take the time to work through the audition music requirements on the two registration days in September. You will rotate through working with the creative team (music director, choreographer and stage director) on both evenings. Auditions for solo roles for adults will be held on **September 13 (women)** and **September 14 (men)**, with **callbacks scheduled for Saturday, September 15.**

September 5 -- at Lakeshore Catholic High School:

7:00 Registration and photos
7:30 Introductions of board members and the Creative Team
7:45 1st rotation
8:15 2nd rotation
8:45 3rd rotation

September 12 -- at Lakeshore Catholic High School:
